

Society of Forensic Toxicologists Ethics Appeals Form

The Society of Forensic Toxicologists (SOFT) investigates ethical complaints against its members in accordance with the Bylaws and the SOFT Ethics Procedures. Complaints will be considered by the Ethics Committee when conduct is alleged which violates the Code of Ethics.

In accordance with the Ethics Procedure, the complainant or respondent has the right to file an appeal within three weeks of receipt of the outcome.

Please complete this form and return to: info@soft-tox.org
